All Residential projects are to have the following submitted prior to construction.

- 1) A full site plan outlining all property lines and easements
- 2) A full set of Building plans that have a seal from the Architect/ Engineers (as required by State and AHJ)
- 3) Building permit application
- 4) Building permit fee
- 5) Outline of use of property

The above paperwork will be reviewed and a letter of changes will be returned to submitting party. Following all requirements are met a building permit will be issued and construction will begin. The property owner is allowed to do land clearing and ruff dirt work while waiting for building plan approval.

If there are any questions please call me James Doyle at 573-365-3380 or 573-216-4015. Thank you for your time.

Sincerely,
